Committee Reports:

Inclusivity – Open

Answering Service - 6 calls all connected with members

Bridging the Gap – Open

Corrections – Clinton was in Lockdown one Saturday. Meetings going into Clinton, Adirondack and Altona

Grapevine – Open

Literature – No Report

Newsletter – No Report

Registrar / Meeting List – Lists have been updated and are ready for reprinting, the last small printing may have been an incorrect file.

Treatment – Meetings going well at Recovery Campus looking for Groups to sponsor meetings in August and beyond

Website – Some discussion to remind everyone that the District 10 website, the Area 48 website and the Meeting App are NOT the same and Vern only manages the District 10 website. That said, updates are happening, if anyone has info for the website please reach out to him.

Alt DCM – Tonya has decided to continue in this position but may not be able to get to all Area 48 events.

Old Business:

Large balance in our District Account

GSO Contribution – Proposal to send GSO $1000,00 from Sam seconded by Pete M. Discussion brought up that Districts should be spending their contributions by carrying the message locally, not contributing to GSO. Peter Y pointed out that we are continuing to carry a large bank balance over our prudent reserve and GSO is in need of contributions. When the vote was taken the proposal failed so we are not contributing to GSO at this time.

Line Item to District 10 Budget – Proposed by Bonnie and seconded by Bridgette – That District 10 add a line item for $500.00 to support service events each year. After discussion a "friendly amendment" was proposed to raise that amount to $1000.00. The motion passed.

New Business:

Proposal by Sam and seconded by Shawn W to have District meetings go to Hybrid beginning June 11th. The In Person meeting to be held at Club 12 6/11 with a change of time to 7:30 pm. Club 12 has the equipment to host the virtual portion of the hybrid meeting. The hope is to increase participation in District meetings through increased fellowship. Motion passed with 2 abstentions.

Proposal to host a Sponsorship Workshop made by Tonya and seconded by Don, After discussion the proposal was tabled.
